<b>8th graders Field Trip to the High Schools</b>	<b>EGMS - February 11 @ 11am-2pm</b>  Transportation and lunch provided. All 8th graders who are present that day will attend the field trip. <b>*OMS/Tumalo</b> - If you would like to attend the RHS field trip, please call RHS office to schedule (541-923-4800).	<b>OMS &amp; Tumalo - February 25 @ 12pm-2pm</b>  Transportation and lunch provided. All 8th graders who are present that day will attend the field trip. <b>*EGMS</b> - If you would like to attend the RVHS field trip, please call RVHS office to schedule (541-504-3600).
<b>Forecasting forms sent home with students</b>	All students will receive forecasting forms at their visit.	Forecasting forms will be available to students before visit and returned at the visit.
<b>Forecasting forms due</b>	Forecasting forms are due back to the EGMS office by Friday, February 14.	Forecasting forms are collected at the last session of the 8th grade school visit.
<b>Forecasting is ongoing for those families that are approved for transfers.</b>		

\*Students will automatically be enrolled into the high school that *matches their home address*, regardless if you have been attending a middle school on a transfer. If you wish for your student to attend the high school outside your boundary you will need to fill out a transfer request form (these will be available in March) and turn it into your assigned high school. These will be reviewed and you will be notified if they are approved or denied.

\*All OMS students will attend the Ridgeview visit and all EGMS students will attend the Redmond High visit. If you are planning to attend the other high school please contact those schools directly to set up a time with their office to visit and learn more.
