

Incoming Freshmen/New Student Information

Dear Future Raven Families,

Welcome to Ridgeview High School! We hope this information will answer questions for you about enrolling in Ridgeview High School for 2020-2021 and what our school has to offer.

If you currently attend one of Ridgeview's Feeder Middle Schools (Obsidian Middle School or Tumalo Community School) and Ridgeview is your boundary high school, then you are already slated to attend Ridgeview. If your intention is to attend another high school (outside of your boundary high school), please contact your destination school to secure your place on their rosters.

Obsidian Middle School (OMS) and Tumalo Community School (TCS) Families:

Our counselors will visit your 8th graders at OMS and Tumalo during the week of February 10-14th to discuss the Scheduling process, show students our Course Guide, and answer questions. Your students will receive Scheduling Forms on Tuesday, February 18th. As a family, please complete the Scheduling Next Year's Classes forms ("forecasting sheets"), and turn them in when your student visits Ridgeview on Future Freshmen Day (2/25/20). Otherwise, please contact our Registrar, Shelley Marks, at (541) 504-3600 for a copy of the form.

Parent Forecasting Information Session: Please join us Thursday, February 20th from 6:00 - 7:00PM in the Ridgeview Commons to learn more about forecasting for next year's classes.

Future Freshmen Day: On Tuesday, February 25th from 12-2PM, we are proud to host our Future Freshmen from OMS, TCS, and any interested student from neighboring schools. OMS and TCS--your school arranges transportation, and all 8th graders are coming!

If you are not from one of our feeder schools, please contact us at (541) 504-3600 to RSVP for the day. You must provide your own transportation. This event is for

students only; parents and guardians are asked to sign up for a tour in order to see the building during our scheduled tours in March; please call us at (541) 504-3600 to schedule.

8th Grade Parent Night: We will be hosting an 8th Grade Parent Night Thursday, May 7th from 6:30-7:30PM in the Ridgeview Performing Arts Theatre. More information is forthcoming and we will communicate through the middle schools about this event.

Non-feeder School Families: If you do not attend OMS or TCS, you'll need to complete a transfer request form and apply for enrollment. If you would like to tour our school, tours for future freshmen and families are held during the month of March. Please contact our Counseling Department at (541) 504-3600 to schedule a tour.

Please review our Course Guide Webpage (under "Counseling") and the Class Information (under each course description)—these will help explain each course's focus, prerequisites, and more.

Feel free to contact us at (541) 504-3600 or our Counseling Department's Registrar, Shelley Marks, to determine how to best answer your questions.
